EXPERIENCE

Internship april 2024 - June 2024
Codebeat *Visakhapatnam, Andhra Pradesh*

- Full Stack Web developer.
- Managed back-end databases by writing SQL queries to retrieve data from tables.

PROJECTS

Enhancing Latency-Critical Services. Worked on combining Software-Defined Networking (SDN) with 5G to improve the speed and reliability of services that need very low delay. Used smart traffic control methods to help applications like real-time video, gaming, and self-driving systems perform better.!

Textile Inventory Management. Created a database that works like a wishlist in a shopping app, helping to manage and track textile items. Added features to organize products, check stock, and save user wishlist items using SQL.

Weather Forecasting Application. Created a program that shows weather details like temperature and humidity when the user enters a city and date. Used online weather APIs to get the data and showed it in a simple and clear way.

EXTRA-CURRICULAR ACTIVITIES

- Marketing lead - Gitam Esports Club marketing efforts to promote eSports events and tournaments on campus and social media. Created posters, collaborated with sponsors to increase visibility.
- Financial Lead – College Badminton Club Managed the club's budget, handled expense tracking, and prepared financial reports for events and tournaments.
